Volunteer and Visitor Policy

We love our preschool families and love to have visitors and volunteers! That said, due to California State law and Community Care licensing, there are guidelines we need to follow to ensure the safety and health of all of our enrolled children and avoid licensing fines. Here are the guidelines for volunteers and visitors at our school:

On site volunteers:

- Anyone who volunteers or has interaction for more than a few minutes with enrolled students during our school day (8am - 3pm) must submit a copy of their proof of vaccinations from a licensed physician showing up to date measles, pertussis and influenza.
- The influenza shot needs to be dated between 8/1 and 12/1 of the current year.
- Only adults over the age of 18 may volunteer on site during preschool hours.
- Siblings not enrolled in Foothills Preschool may not be on the grounds while their parents are volunteering during school hours.

Visiting and pick up/drop off times:

- Our campus will remain closed to the public except for pick-up's and drop-off's between the hours of 8am - 3pm.
- If you bring a child not enrolled at the school with you to pick up or drop off a FPS student, they must wait with you outside the classroom door for the teacher to open the classroom or dismiss the children. They may not co-mingle with the preschool children or use the school equipment.
- Children that start school at 9am must remain with their parents and wait near their classroom door until their teacher escorts them into the room. Per community care licensing, they may not co-mingle with the children who arrive at 8am on the playground or in the classrooms.
- After the school closes at 3pm, you may use the playground at your own risk.

I have read and understand the Foothills Preschool Visitor and Volunteer Policy and agree to abide by the guidelines outlined above throughout the duration of my child's enrollment at Foothills Preschool:
